Dear

Thank you for your enquiry and interest in studying for a Research Degree in the School of Computing. Enclosed is some further information.

If you wish to be considered for a place to study for a Research Degree, please complete the Application for Research Degrees Study Form. You should follow the 'Notes for Guidance' carefully. Enclosed are two letters for you to pass to your referees. Note that at least one of your referees should be an academic referee. The following checklist details the information we require before we can process your application:

- *application form*
- *A CV*
- *two references (in signed sealed envelopes)*
- *letters of sponsorship (if appropriate)*
- *Transcripts/certificates*
- *A description of research area interest and reason for choice*

We look forward to receiving your application. If you have any queries, please do not hesitate to contact me.

Yours sincerely

Pat Hill
Postgraduate Admissions Tutor
